Ordering Information

The minimum order is \$40, excluding shipping charges. We accept personal checks, money orders, Visa and Mastercard. Orders will be processed in order they are received. We cannot process an order without payment. We do not send ackowledgements. Credit Cards are charged at the time the order is entered into our system, thereby reserving the plants in the customer's name until ship date.

May We Substitute?

We do our best to supply everything we list, but sometimes a cultivar is more popular than we anticipated. If you allow us to substitute we will do so with only excellent quality plants of equal or greater value.

Choose the Ship Date

Choose a week that works best for you, and we'll do our best to get it out when you want. Because everything is dug to order, sometimes we get backed up. We ship plants late April through mid October, depending on the weather. Plants are freshly dug, labelled, trimmed, rinsed, and packaged carefully in craft paper to keep them cool. If you order for early Spring delivery, it is usually unnecessary for us to trim back the plants. Please allow 10-14 days from order date during shipping season to receive your shipment.
